ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

On account of the Rutland county fair, all of the licensed liquor places in that city will be closed until Friday morning.

Congressman Kittredge Haskins of Brattleboro became ill on his way to the Vermont officers' reunion in Burlington last week and was confined to his bed Friday and Saturday in that city.

Gov. Robert B. Glenn of North Carolina, and Gov. A. B. White of West Virginia, two of the party of Southern governors that are to visit St. Johnsbury during a tour of the New England states, have started on their trip.

Dion W. Kennedy of Burlington, the well known musician, will play a church organ at Montpelier, N. J., and is engaged by the Redpath bureau for 36 concerts in different parts of the country with Ian Jackson and other talented people.

Petitions in bankruptcy were filed in Burlington Tuesday by Eugene B. Taylor of St. Albans, a laborer who has liabilities of \$223.52 and assets of \$42, and Louis A. Longe of Burlington, a laundry foreman, who has assets of \$443 and liabilities of \$4.

A carriage in which A. Mason and daughter of Timmott were driving in from Castleton was struck by a train at Poughkeepsie Tuesday morning, one of the horses being instantly killed by the locomotive. Mr. Mason and the young woman had narrow escapes, but were uninjured.

A meeting will be held soon of the executive committee of the Vermont Maple Sugar Makers' Association to arrange for the annual meeting of the association which will likely be held in Burlington January 9 to 11 in connection with the meeting of the Dairy-men's Association.

A Rutland six-year-old boy, Ralph, son of Arthur Bacon, fell while running with a "candy snoker" in his mouth, and the pointed stick was forced through his palate, dividing it. It is uncertain whether the two parts will heal together or whether the palate will have to be cut out altogether.

The 16th annual Orleans County fair opened at Barton Tuesday. The attendance was small owing to the unsettled condition of the weather. The entries taken altogether are more numerous and excellent than ever seen there before. Troop G, 13th United States Cavalry, arrived at noon from Fort Ethan Allen.

Randolph is said to have two candidates in the field for senator from Orange county in the general assembly of 1906, viz: L. B. Johnson, editor of The Herald and News, who withdrew from the field last year, and Dana H. Morse, who represented the town of Randolph, and is now a member of the state board of agriculture.

Prof. and Mrs. O. M. W. Sprague of St. Johnsbury start for Tokyo, Japan, Thursday, sailing from Seattle, September 20 on the Dakota of the Great Northern line. Mrs. Sprague's sister, Miss Mary E. The registration of pupils in the St. Albans public schools is proceeding somewhat slowly, the total enrolled up to the present being 828, or 16 less than last year. This is not taken as an indication of falling off in the number of children of school age, however, as, for instance, 18 children of school age owing attendance at the Barlow street school are known to be among those unregistered, and the trustee officer will be sent for them.

The Burlington firemen are making preparations for the reception of the firemen of the state, who will meet in convention in their city on the 21st inst. The Vermont State Firemen's association met last year at Vergennes and a good time was had. This year, the plans are to have a business meeting at the City Hall for the purpose of electing officers and to decide whether they will hold a tournament next year. After the transaction of business, the Burlington firemen will entertain the visitors if possible with a trip on the lake. The present plan is to engage the Chateaugay and go to Westport, having dinner aboard. As the local firemen have no means of obtaining a fund, otherwise than by popular subscription, the citizens are at present cheerfully subscribing to this fund.

Attacked by a Mob and beaten in a labor riot until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve and was soon sound and well. "I use it in my family," writes G. J. A. T. Leach of Sheldon had \$50 taken from his pocket Friday, September 8, while coming from the Junction. There was a large crowd on the train going home from the fair. When the whistle blew for Sheldon, one man got up and stood at the car door with his hands raised against the door. Mr. Leach stood back of him, with the aisles full of people crowding behind. Before the train stopped a man from the car ahead came in and forced his way by the head man. Mr. Leach thinks this was when the pocket was picked.

At a meeting of the Algonquin club of Burlington, the following resolutions on W. L. Burnap, a deceased member, were adopted: In noting the sad event which has deprived us of the earthly companionship of Hon. Wilder L. Burnap, we here give expression to our sorrow and sense of loss. We desire to record also our tribute to his virtues as a citizen and as a man. Upright in his private and professional life, he was disdainful of meanness, vulgarity and indelicacy in every form. While bravely facing the trials and disappointments of life, he honorably achieved the rewards of marked and merited success at the bar and in the public service. He was a man of intellect, taste, refinement and sensibility, a good friend and, in all personal and social relations, sympathetic and responsive. In the gatherings of this organization, of which he was the honored president, his voice and influence will be sorely missed.

Your Money Back IF CAL-CURA FAILS.

If you have an aching back, backache, rheumatism, or inflammation and pain in bladder or kidneys, get a bottle of Cal-cura Solvent. Dr. David Kennedy's latest medicine. Its effect is marvelous; so uniformly successful that we offer you your money back if it does not help you. Cal-cura Solvent dissolves stones, gravel and acid in kidneys and bladder. If it did not have this power, we could not afford to sell it on a guarantee like this.

We are warranted in doing this, for it has a record of cures in nine out of every ten cases. It is not a patent medicine; it is a prescription from the hands of that skilled physician and surgeon, Dr. David Kennedy, and used in his private practice with uniform success. Write The Cal-cura Co., Kingston, N. Y., for a free treatment bottle.

THE REAL TEST

Of Herpicide is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigors may look nice and smell nice, but the point is—do they eradicate Dandruff, and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
